

Azza Pacific Pty Ltd New Products Flyer March 2016

The big news for 2016 is that Azza (Belgium) is 15 years old, so the special release is a package called **KIT 2018 - 15 YEAR BASKET**. This basket will be available all year while stocks last. When they run out, that is it. The products in this kit are available in this kit and no-where else - they are not available separately in the range.

This kit is made up of:

- * Black and Gold project box - slightly larger than the brown box so the album fits easily.
- * A special Edition album - Travel * an excellent 40 page book - Travel
- * 2 sheets of pre-printed designs * 1 decoration duo on the travel theme
- * a sheet of frieze figures of city skylines * 3 micro stamp sets relating to travel
- * a Special Edition stencil based on the World.

Cost is AU\$142.00 NZ\$170.40.

Catalogue 2016

New Studio Kit

ALI 1506 EOLE - WIND GOD AU\$55.00

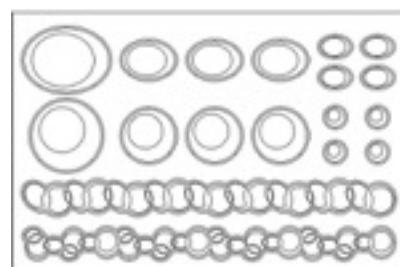

This kit is just called 'Eole' in Europe. Eole is the French God of the Wind, so we added '-Wind God' for the benefit of those of us not up on our French mythology.

This is the second stencil duo configured as 1 layout stencil and 1 Tools stencil to accommodate the unusual curves of the stencil.

Stencil duo and Silhouette figures available separately as below.
