## Parfums du sud

A surprise  
gift

Following the outstanding success of the 15 Year Kit in 2016, this Special Edition Kit is sure to sell out quickly. Again, a limited number only have been produced, and it is only available while stocks last.

The theme of the kit reflects the lavender perfumes of Provence, and it works in well with the other products in the Provence range - stamps, dies)

The unique album, stencil and all the products are ONLY available in this kit. Each kit includes a surprise bonus GIFT.

Same price as last year!
